Sir:

Reconsideration of the 22 June 2005 decision dismissing applicant's petition to revive is respectfully requested.

Applicant's original petition should have been accompanied by a response to the final rejection of the application instead of the actually submitted payment of issue fees.

Applicant has remedied this error by filing herewith an appropriate, accompanying, response to the final rejection, which will place the application in allowance by canceling all rejected claims, leaving only allowed claims in the application. This action complies with the first paragraph, page two of the decision.

Applicant has filed herewith an updated statement to insure compliance with the last full paragraph, page one of the decision in addition to the required reply discussed in the preceding paragraph. Accordingly, the granting of applicant's petition is believed to now be in order and is accordingly solicited.

Signed at Shelton, County of Mason, State of Washington, this 2<sup>nd</sup> day of August, 2005.

Respectfully Submitted,

RICHARD. A. HANSON
